

Event Invitation: Greater Manchester's Transport - The Future!

Date: 28 June 2007

Time: 1:00pm – 3:30pm

**Location: Manchester Deaf Centre, Crawford House,
Oxford Street, Manchester**

The leaders of Greater Manchester's 10 local authorities are seeking views on a possible bid to the Government for a £3 billion package of transport funding and the introduction of a road congestion charging system.

The session will provide delegates with the opportunity to:

- Attend presentations on the details of the transport investment proposals
- Learn about the implications of congestion and a 'do nothing' approach
- Understand and input into the opportunities that exist now to develop an integrated transport system for Greater Manchester that is socially inclusive, sustainable, and accessible to all communities
- Network with colleagues and other organisations

Speakers will include Councillors Roger Jones and Allen Brett from GMPTA, and officers involved in preparing the bid.

Target audience: voluntary sector groups including those providing services to and representing excluded and disadvantaged communities; community professionals; community transport operators; and social enterprises.
