Welcome to Heywood Summer Games Brochure 2007!

On the top of this page you will see a packed programme of quality sports activities taking place all over Heywood.

We're convinced that there's something for everyone from outreach sports sessions in different areas to sport-specific coaching sessions at a central venue where you can develop your skills and try new sports such as Handball (a fast-moving sport that needs agility, speed and teamwork!). Friday is competition day giving you the chance to compete against other teams in various sports with prizes for the winners and runners-up!

Over the course of the six week programme you'll have the chance to put yourself forward to compete at the North West Streetgames Festival on the 31 August 2007 at Sports City in Manchester against teams from other towns and cities.

Best of all...it's all completely free of charge, so you've no excuse not to get involved!

Events at the Streetgames Festival will include; Basketball, Netball, Cricket, Futsal (based on Football skills), Dance & Cheerleading, Military Challenge, Handball, Tag Rugby, Athletics and Graffiti Art.

NB. All multi-sport sessions are open to boys and girls aged 6-16 year olds.

All sessions will run from Monday 23rd July until Friday 31st August 2007.

NB. Please take note of the age categories for different events.

No need to book, just turn up and join in! For further information please contact Janine or Rob on 01706 764810.
